It is unlawful for an insurer to promise the future payment of dividends under an unexpired workers' compensation policy or to misrepresent the conditions for dividend payment. Dividends are payable only pursuant to conditions determined by the board of Directors or other governing board of the Company following policy expiration. It is a misdemeanor for any insurer or officer or agent thereof, or any insurance broker or solicitor to promise the payment of future workers' compensation dividends. Past dividend performance is no guarantee of an insurer's future dividend performance.
